Do you love reading smut and shoujo manga but wish there were more releases? Why don't you help out?

Midnight Scans is recruiting more staff to help spread the love for smut manga to fans. Anyone willing to give us a hand, and possibly knows how to edit, translate from Japanese, or is simply able to scan certain series here and there can come apply on our recruitment page at http://www.saphirus.net/ms-site/.

Take the matter into your own hands! The more we are, the faster we can get new releases out!!

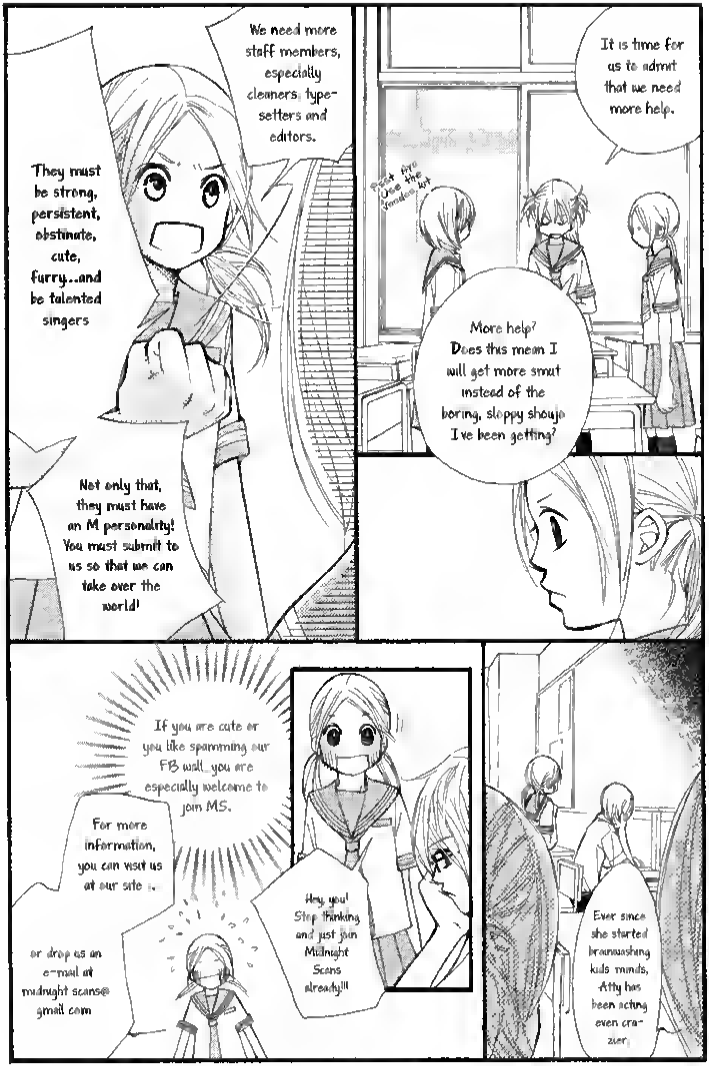
http://www.sankuru.net/mss.te/



We need more staff members, especially cleaners, typesetters and editors.
They must be strong, persistent, obstinate, cute, furry...and be talented singers
Not only that, they must have an M personality! You must submit to us so that we can take over the world!
It is time for us to admit that we need more help.
Point Five: Once the Seniors left
More help? Does this mean I will get more smut instead of the boring, sloppy shoujo I've been getting?
If you are cute or you like spamming our FB wall, you are especially welcome to join MS.
For more information, you can visit us at our site :-
or drop us an e-mail at midnight scans@ gmail com
